## CAJÓN DEL MAIPO

## HOTEL LOCATION

Only 47 km from Santiago, getting through the Maipo Valley (Cajon del Maipo) and its mountain ranges, climbing 10 km above the town of San José de Maipo, is hotel Altiplánico San Alfonso, with a view to the mountain and the Maipo River. The San Alfonso Altiplanico Hotel invites guests to unwind amidst nature just minutes from the beautiful tourist attractions sector.

## HOW TO GET THERE

Coming from Autopista Vespucio Sur, exit number 41, Las Torres Avenue. Once outside, you must take Av. Florida (first traffic light) in direction towards the Maipo Valley. You must pass San José de Maipo; along the main road, you will see a wooden sign on the right that indicates "San Alfonso 1115" just before the curve, behind that cartel you should take the dirt road towards the river and you will see a door of iron, which has a few Tibetan eyes painted on it. On one side of the gate there is an intercom, which has marked the Altiplanico button.

## OUR CONCEPT

Our concept for all Altiplánico hotels is to offer the best hospitality under the hotel-house idea, as well as admire and respect nature. Architecture bows to nature and blends with it. We work on rescuing this place's roots, respecting the environment and the ancestral customs of its inhabitants. In this way, the visitor gets to know the natural and ancestral scenery of every place, offering a unique experience in a unique destination. We equip our hotels with high quality facilities to provide absolute comfort to all our customers. The Altiplánico Hotels, apart from offering personalized and exceptional service, differentiates because of its creative interior design and authentic architecture. We privilege beauty as the main luxury; this means: the honest, the simple and pure.

## MAP

## HOTEL OVERVIEW

Opened in September 2007; nestled among the breathtaking mountains of the Andes, this small, charming hotel is designed to blend with nature, with a beautiful, large garden, swimming pool, heated jar and a panoramic view. High snow-capped peaks, the roar of the Maipo River flowing powerful icy waters and the silence form the framework in which Altiplánico San Alfonso is inserted.

# ARCHITECTURE AND DESIGN

Nestled among the breathtaking mountains of the Andes, this small hotel is designed to merge with nature. With a beautiful large garden, swimming pool, hot tub and a panoramic view over the high snowy peaks, our hotel of charm is very careful and designed for relaxation and tranquility. We have all the facilities and the best service to meet the expectations of our guests on family vacation, romantic getaway or a corporate meeting or incentive trip.

The hotel is located in an area of 20,000 m2 of park. It is built on the basis of wood, clay, copper, brick and straw. The interior design of this complex is a visual proposition of a significant aesthetic impact. The ethnic decoration includes objects, fabrics and colors of the world, which highlights the place roots.

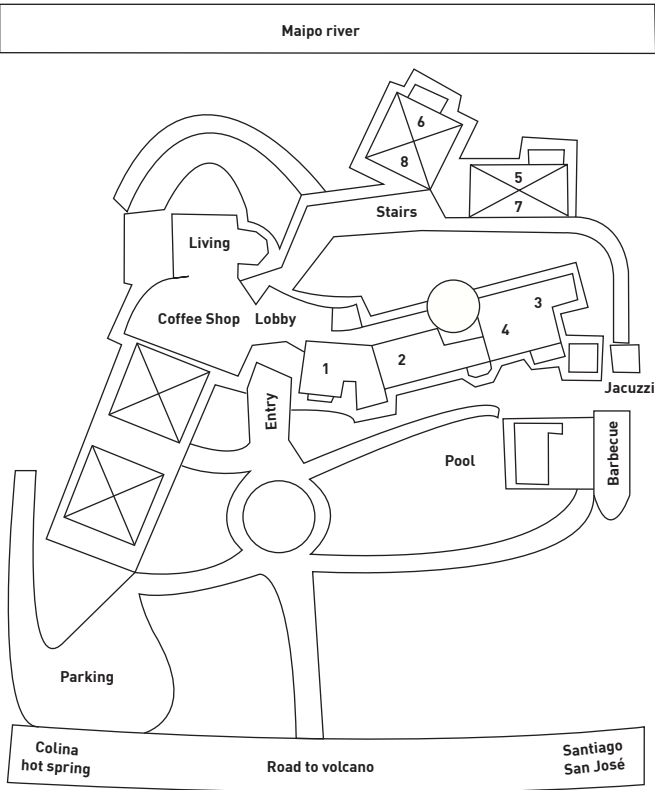

# ROOMS

The hotel has 8 double, twin, triple and family rooms. Each piece is different and the decoration is unique. All rooms are spacious, bright and warm, presenting an original and pleasant appearance. The privileged concept is the "Hotel-Home". Our dearest wish is to make our guests feel relaxed and welcomed.

# CELEBRATIONS

Honeymoons, birthdays and all kinds of special occasions can be held at the hotel Altiplanico Maipo Valley. We also have programs for companies, so that they escape from the city and share the nature in which the hotel is enclosed. For Christmas and New Year's, we offer a special menu in the restaurant, which is accompanied by small decorations to liven up the place and enjoy these dates next to this beautiful landscape.
