OUR CONCEPT

Our concept for all Altiplánico hotels is to offer the best hospitality under the hotel-house idea, as well as admire and respect nature. Architecture bows to nature and blends with it. We work on rescuing this place's roots, respecting the environment and the ancestral customs of its inhabitants. In this way, the visitor gets to know the natural and ancestral scenery of every place, offering a unique experience in a unique destination. We equip our hotels with high quality facilities to provide absolute comfort to all our customers. The Altiplánico Hotels, apart from offering personalized and exceptional service, differentiates because of its creative interior design and authentic architecture. We privilege beauty as the main luxury; this means: the honest, the simple and pure.

HOTEL OVERVIEW

The Altiplánico Bellas Artes is distinguished in the Bohemian and cultural Santiago downtown. Immersed in nature, located in front of the famous Parque Forestal and surrounded by greener hills of the capital; the hotel stands out with its unique location, away from the monotony that big cities offer. The Altiplánico Bellas Artes illuminates a splendid Heritage House from 1913 with a total area of 1360 m2 preserving and conserving its facade and history in this cultural area. Between Sea and Mountain, just one hour away from the ski centers and the Pacific Ocean, the capital of Chile offers activities throughout the year.
